How to register on our website.

2. If you are prompted with an “Are you human?” box, Click the box then click Continue

3. You will now be presented with a login window, click on the register link as shown below.

4. At the registration screen choose your username (minimum 8 characters), and your email address, similar to that shown below. If you’re happy click next

Please note, if the username is already in use, it will come back with an error flagging that, and you’ll need to choose a different one.
5. You may be asked to prove you’re human again, please refer to step 2 above. Once successful you should be presented with this screen

6. Now wait 5-10 minutes and go and check your email. You should receive an email similar to the below. Use the link to set a password.

7. When prompted, you can either use the generated password or enter your own. When you’re happy click Save Password

8. Once complete you will see this screen, click on the log in link
9. Now login with the details you created, and you will be taken to the main website where you will see you’re logged in like below.
Creating a Listing

11. If you are prompted with an “Are you human?” box, Click the box then click Continue
12. Log in with your details and you will be taken to the main website where you will see you’re logged in like below.

13. Now click on “OSB Breeders Map” followed by “Create a Map Listing” from the main menu as shown below.

14. Now start to fill in the details as exampled below. You can use the “Location Services” button to locate your holding, if it’s not 100% accurate you can then drag and place the pin on the map.
15. To select the bloodlines you keep, click in the field and a drop-down list will apply, find your bloodline and click it, this will populate the box.

16. Repeat this until you have added all your bloodlines.
17. Now select the services you offer, this works similar to the bloodlines, in that you can add as as many or as few as you offer. Example as follows;

18. You can now choose to upload pictures of your pigs, logos, pork, etc. no more than 10 files, and an individual file cannot be more than 2MB. Jpg, jpeg, and png file formats supported.

19. You can now select what is called a default service, this determines which icon your map gets. Key as follows;
20. Once you're happy with it, click “submit listing”

21. Once submitted you will get an acknowledgment like below and an email confirming your submission. Your listing will not be live until it’s been reviewed and approved by the charity. However, you can preview your listing using the link in the email you receive.

22. Example submission email.
23. Once approved you will get a further email confirming this and your listing will be live on the map.

Dear obpspsupporter,

Your listing OSBP5G Supporter Breeder has been published. This email is just for your information.
